

Online Business Banking

Corporate Group Management

BSP

What is BSP Online Business Banking-Corporate Group Management?

BSP Corporate Group Management provides access through BSP Online Business Banking for authorised users to accounts in any of its subsidiary businesses all with one login. An authorised user can view and/or transact on accounts within any of their subsidiaries.

If you are an existing BSP Online Business Banking customer and have multiple organisations in your business group, you should strongly consider taking the next step and arrange access to Corporate Group Management. Speak to your Relationship Manager for more details.

Benefits & Features

Account access

- Control authority of who can access your group and subsidiary accounts only if authorised by a company resolution.
- Keep track of group or selected subsidiary performance via single access.
- Enhances transparency and accountability within group.
- Access enabled only to authorised accounts.

Transfer between accounts

- View transaction history.
- Transfer funds between authorised group accounts.
- Free access to statement downloads.

Third Party transfers

- Transfer funds to third party accounts within BSP or other PNG banks.

Bill Pay

- Pay bills the easy way to pre-existing personal billers.

Scheduled transactions

- View and control scheduled transactions.

Foreign Exchange/International Payment capabilities

- Transfer funds overseas conveniently without having to visit a branch.

Requirements and How to Apply?

1. Contact your Relationship Manager or nearest BSP Branch.
2. If not already accessing Online Business Banking. Download an application form from our website or visit a branch.
3. BSP will work with you to obtain and complete authority/resolution to then access the Online Corporate Group service.
