Kundu Pei

Payroll solution for business

Taking care of business

Payroll made easy with BSP's KunduPei

KunduPei a secure computer based salary processing programme designed specifically for BSP customers, saving you time and money.

How does it work?

The bank loads the programme on your PC and provides training. Each pay period your payroll staff generates a pay file from KunduPei and emails or delivers (using USB flash drive) it to BSP for processing.

Benefits

✔ Significantly reduced fees (cheaper than any other salary processing method)
✔ More efficient processing and reduction in errors
✔ Simple to use
✔ Safe and secure

Take a closer look at BSP range of business solutions, specially designed to help improve your business.
